To: All users of the San Simeon Community Services District Water System

From: Charles Grace – General Manager –SSCSD

Reference: Stage Two Water Conservation

**Effective immediately and until further notice, Stage Two of the San Simeon Community Services District water conservation program is in effect.
The District thanks you for your cooperation.**

STAGE TWO

Initiated when current well field levels for three consecutive weeks drop 5% below monthly historical averages. Lifted when Pico Creek starts running to the ocean or when well levels return to average level for two consecutive months.

1. **All outdoor irrigation of vegetation with potable SSCSD water shall be prohibited.**
2. The use of SSCSD water for the filling, refilling or adding of water to swimming pools, wading pools, ornamental fountains, or spas shall be limited to the amount necessary to keep the pool or fountain equipment operative and to refill for evaporative losses.
3. Restaurants are prohibited from serving SSCSD water to their customers except when specifically requested by the customer.

As a reminder, required water conservation measures under Stage One are still in effect:

STAGE ONE

Effective when the Pico Creek stops running to the ocean. To be lifted when Pico Creek starts running to the ocean.

1. Use of water from fire hydrants shall be limited to firefighting and/or activities immediately necessary to maintain the health, safety and welfare of the SSCSD.
2. All sales or use of SSCSD water outside of the SSCSD limits shall be discontinued.
3. SSCSD water shall not be used to wash down sidewalks, driveways, parking areas, buildings or other structures, except to alleviate immediate fire or sanitation hazards.
4. **The washing of automobiles, trucks, trailers, boats, mobile homes and other types of mobile equipment with SSCSD water shall be prohibited.**
